Subject: SHED – Pre-qualification for procurement

Dear Mr. Asad Jan,

Reference is made to SHED submission for procurement pre-qualification. We also refer to several email exchanges on the matter.

In the interest of formalizing our email correspondence, UNHCR would like to thank you for the cooperation provided during the evaluation process and appreciates the effort your agency made to be compliant with UNCHR Partners Procurement Guidelines.

After completing the evaluation it was determined that SHED procurement policies and procedures meet the requirements for procurement pre-qualification.

I herewith confirm that UNHCR grants SHED **Pre-qualification for Procurement status with national scope** to carry out procurement activities for UNHCR funded programs. This is valid from **30 May 2016 to 31 December 2020** when another evaluation shall be conducted.

Yours Sincerely,

pp Mr. Stephen Ingles
Head of Procurement Service
