Dear SHED Management

Greetings

Thank you for the hard work and taking pain in completion of this project well on time with honor and dignity. It was really pleasure to meet SHED team in Swat and to see their commitment. I know that completion of this project was not always easy for SHED and DKH/Swat team specially in such insecure challenging environment.

Finally, wishing SHED and DKH team always successful and happy new year. Hopefully see you soon with new zeal. May the joy of the new year extend to you all and your families now and throughout life.

Regards,
