

OFFICE OF THE ADDITIONAL AGENCY SURGEON SOUTH
WAZIRISTAN AGENCY -TANK

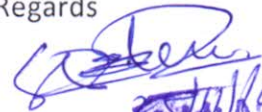

TO WHOM IT MAY CONCERN

I am Pleased to certify that Society for Human & Environmental Development-SHED has implemented Primary Healthcare Project titled "To avoid preventable morbidity and mortality through provision of Primary Healthcare, MNCH and psycho-social services to the affected population in the IDPs returned areas in South Waziristan Agency (FATA)". SHED executed health project in collaborated manners and it was observed that every possible effort was made to established and maintained coordination with all relevant stakeholders. The most sorely needed project reached out target beneficiaries and produced desirable outputs. The Project funded by PHFP-UNOCHA; the project was implemented in the following health facilities of SWA;

- 1- Umaraghzai
- 2- Kanigurm
- 3- Bangiwala

The undersigned authority appreciate the services of SHED team members, the project activities were monitored during the implementation and results were found satisfactory. The beneficiaries were also satisfied with services provided by SHED.

Regards

Dr. Wali Rehman
Additional Agency Surgeon
South Waziristan Agency-FATA
