

**OFFICE OF THE DEPUTY DISTRICT HEALTH OFFICER
TOWN-2 PESHAWAR.**

At Category "D" Hospital, Gara Tajik Warsak Road Peshawar.

Services acknowledgement and appreciation

Society for Human and Environmental Development (SHED) a national organization has rendered valuable services under the health project on COVID-19. Since implementation and start of the activities the project management and field staff kept coordination with the management of the hospital and all the activities delivered were coordinated in time.

Project field staff delivered the activities like Capacity building training of LHWs, Training to health staff on IPC, Psycho social support services/ counseling to pregnant women, RH medicine provision, distribution of dignity kits, new born baby kits and clean delivery kits to pregnant women. All the activities were monitored by management of this hospital.

We acknowledge and appreciate the services delivered by SHED in supporting the hospital during COVID-19.

Deputy District Health Officer,
Town-2, Peshawar.

04/11/2020.
