The Executive Director
Society for Human & Environmental Development (SHED)
House No.C-17, Old Bara Road, University Town, Peshawar

Subject: **Improvement of education facilities for Afghan Refugees and host communities in Mianwali District, Punjab-GHS Kamar Mashani**

It is stated that SHED has implemented the subject project in GHS Kamar Mashani, Esa Khel, Mianwali having the major components of civil work (construction of 4 additional classrooms and Multi-purpose hall), supplies including furniture, school supplies and IT & lab equipments along with capacity building of teachers and PTC members.

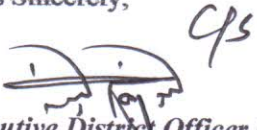

I am pleased to express my gratitude to the SHED for successful completion of the project within short period of time through their good team work, team efficiency, professional approach, close monitoring and maintained strong coordination with school management, PTC members, district government/line departments and the undersigned during whole project life.

I appreciate the quality of civil work done, good quality furniture/equipment supplied and trainings conducted by SHED which has to be an example for other organizations for future.

I also appreciate the efforts of UNHCR-RAHA, SAFRON and CAR-Punjab for their continuous support and selection of such a professional organization like SHED for this project.

Looking forward to work with SHED in future.

Yours Sincerely,

Executive District Officer (Education)
