No. PDMA/Relief/NOC/108

Dated: 02/09/2013

Project Completion Certificate

PDMA appreciates and acknowledges the timely and successful completion of below listed project under taken by the Society for Human & Environmental Development (SHED) with assistance from Diakonie Katastrophenhilfe.

S. No	Title of Project	Brief Description	Duration
1	Rehabilitating the Flood affected Communities in UC HisaraYaseenzai and UC Tarnab in district Charsadda, KPK through Reconstruction of 100 Houses in 17 selected villages	Reconstruction of 100 disasters resilient Houses in 17 selected most flood affected villages in two union councils of District Charsadda.	15th Dec 2011 to 31 st Dec, 2012

During random field visits of our technical and social staff we found the SHED had maintained high quality and standards of work and the beneficiaries were greatly satisfied with the outcome of these interventions.
