

SUCCESS STORY-ASAR JAN

During door to door assessment SHED team found some IDPs families who were the most vulnerable and needy they were affected by militancy in FATA. The one of those vulnerable IDPs is Asar jan S/O Zameen jan, he have 7 members family including two men three women, one underage girl and one boy. His wife is very sick. He was forced to leave his native village Ghaljo Upper aurakzai Agency where the military operation was in full swing. He fled out escaping his family brought nothing for themselves for use. He displaced to Hayat abad UC Ganjanu District Hangu in 2009. He was a farmer before displacement and currently he is doing labour jobs in Hangu. SHED feel proud to provide NFI kit to Asar jan, he shared his views to SHED team “ zama pa kor ke da dwa katono ao sa lag saman na elawa sa neshta zaka che za mazdorkar yam sirf khpal kor der pa mushkila chalom, zama pa kor ke der sezono kame aw der pa sakhta mu khpal kor chaledo ao da SHED NFI kit sara zama da kor der saman pora sho ao der masle me khatme shve, za da SHED da madad der shukr گزار yam” Asar jan shared his views that (i have just two bed in my house and some minor utensils for daily use because i am a labor and its very difficult for me to manage my house in a meager income. There is a shortage of daily use things in my house before receiving NFI kit but when i receive NFI kit from SHED team i felt satisfaction and many of daily use utensils have been completed and i can use these items in my routine life i am very thankful to SHED team for this kind help)
